O R D E R:

In the letter 3rd read above, the Engineer-in-Chief (Irrigation), Water Resources Department, Vijayawada, based on the report of the Chief Engineer, Krishna Delta System, Vijayawada, has furnished a detailed proposal and recommended to the Government for according permission to M/s Sri Hanuman Biofuels Private Limited, for the drawl of 800 KLD or 0.3269 cusecs of water for 12 months, from Veeravalli No.1 channel of Eluru Canal in Arugolanu Village, Bapulapadu Mandal, Krishna District, subject to the following terms & conditions:

1. The water can be spared subject to the availability of water in the Veeravalli No. 1 Channel.
2. The water can be drawn after meeting Drinking water and Agricultural water demand only.
3. The entire cost of construction of intake well, pump house, pipelines excavation etc., should be borne by the industry only.
4. Water meters or suitable measuring devices should be installed by the industry at their own cost to measure the water consumed and should be made available to the Departmental Authorities and the representatives of the users shall be present at all times of inspection. The water meter shall be periodically calibrated and kept sealed. The period of calibration will be specified by the Department.
5. The industry should pay the water rate at the existing rates and subject to revision by the Government from time to time. In case of failure to pay water rate/royalty charges, the permissions to draw water shall stands cancelled.
6. The industry shall obtain the prior concurrence from concerned Departments for laying of pipelines and for crossing etc., where ever necessary.

7. No field bodhi or pipeline shall be taken through or along with Government land without approval of Government and if permission accorded by the Government, the lease should be paid as fixed by Government only.
8. The industry should make their own arrangements to dispose the treated effluents as per norms of A.P. Pollution Control Board in their premises only and should obtain prior permission if any needed from\Government to dispose treated effluents in their natural sources. Necessary clearance from the A.P. Pollution Control Board is to be obtained in this regard by the firm before drawl of water from the source.
9. The Water Resources Department reserves the right for cancellation of the permission without assigning any reasons thereof.
10. The Water Resources Department is no way responsible for non-supply of water due to any reasons.
11. The industry must acquire the private land for installation of pumping arrangements. If the industry proposes to utilize Government land for installation of pump house, necessary permissions is to be obtained from the Government for leasing the land and the lease amount fixed is to be paid by the industry.
12. The industry must strengthen the Veeravalli No. 1 channel for a length of 100 mts on either side of the point of drawl.
13. The water drawn from the Veeravalli No. 1 Channel should be utilized for the purpose for which the permission is granted. Any misuse on this account shall entail cancellation for the permission without any notice and liable for imposition of penalty.
14. The Industry should follow the rules and regulations of Revenue and other Departments where ever necessary.
15. The Industry shall pay security deposit at 5% on 10 years water charges for which permission is granted.
16. The Industry shall pay one year water charges as advance and any amount due to the Department before entering in to agreement.
17. The Industry has to conclude agreement with the officers concerned of Water Resources Department.
18. The Industry shall abide by R.C.Act-1884 and any other condition laid down by the Government/ Department from time to time.
19. The Industry should make its own arrangements for storage tank in their premises only.
20. The Industry has to pay the water charges for the estimated quantity in advance as the start of the financial year i.e., before 10th April every year as per BSO.
21. Under any circumstances, the consumptive utilization should not exceed 800KLD or 0.3269 cusecs the quantum of water allotted by the Government.
22. The proposed drawl for this plant should not affect Lower Riparian Rights (LRR) and Upper Riparian Rights (URR) in any manner.
23. The Department is no way responsible for any damages that may occur to the off take point due to floods in Veeravalli No. 1 Channel or on an account of any other reasons.
24. The permission does not confer any Riparian Right to the industry.

24. The permission does not confer any Riparian Right to the industry.
25. Non-Adherence to any of the above condition by the industry will entail cancellation of the permission.
26. The industry has to produce the relevant records for Departmental verification at the end of each quarter periodically.
27. The control of intake arrangements should be in the hands of Water Resources Department and permission will be given as and when needed after meeting both drinking water and agriculture demands.
28. The concerned Executive Engineer will be responsible for enforcing the conditions.
29. The firm has to obtain separate permission duly enclosing the drawings of pipe lines and lease amounts to be paid for the Government Land to be leased as per the prevailing norms.
30. The Industry shall abide by any other condition laid down by the Government from time to time.

2. After careful examination of the proposals and on the recommendations of the Engineer-in-Chief (Irrigation), Water Resources Department, Vijayawada and the Chief Engineer, Krishna Delta System, Vijayawada, Government hereby accord permission to M/s Hanuman Biofuels Pvt. Ltd., Arugolanu Village, Bapulapadu Mandal, Krishna District for drawl of 800 KLD or 0.3269 cusecs of water from Veeravalli No.1 channel of Eluru Canal in Arugolanu Village, Bapulapadu Mandal, Krishna District, for a period of 12 months, subject to the terms & conditions as mentioned at para (1) above.

3. The Engineer-in-Chief (Irrigation), Water Resources Department, Vijayawada, the Chief Engineer, Krishna Delta System, Vijayawada and the Collector & District Magistrate of Krishna District shall take necessary action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
